Unfinished Business:

1. Need to update the callout list.
2. SCFF have coverage on Thursday, Friday & Saturday only. Will send out a sign up .
3. Next CERT Class being held at Trinity but is open to everyone.
- 4.

New Business:

CERT Search & Rescue Tools:

US National Grid System for maps was standardized in 2001. It uses the metric system. All S&R units in the US use this. A four-digit number is within 10 meters of accuracy.

App to use on phones is USNG. It gives your current location. The MilGPS program has maps to use with USNG app. It costs \$11.99.

Meeting adjourned at 6:40 pm.

Meeting was followed by a search & rescue drill and social gathering.

Further CERT meetings will be published at a future date.
